Sunday, 2 April, 2023 - 9.30am to 4.30pm - Save that date.  
Cost \$70 for members and \$85 for non-members (membership is \$20/year).  
Registrations - [indigenousplantsforhealth.com](http://indigenousplantsforhealth.com) - Events

Come and enjoy our Autumn Field Day at the Botanical Gardens, 2100 Pacific Hwy, Heatherbrae.  
A great day to see these interesting gardens and share the knowledge of many of our talented members.

Cost includes entry to the Gardens & Herbarium and an organised tour of the Gardens & Herbarium  
Pat Collins making a natural insect repellent from weeds & native essential oils - sample for everyone  
(lots of mosquitoes at the gardens)

Maree McCarthy will talk about local natives and Jonathon Coombes on all things fungi  
Lunch (includes native foods, especially the Bunya nut), morning and afternoon tea  
Hired room for the day—(offers to present encouraged - full program coming soon)

The Hunter Region Botanic Gardens cover an area of more than 130 hectares, much preserved as natural bushland... Australian and introduced species are laid out in theme areas including acacias, banksias, myrtaceae, grevillias, ferns, bushtucker plants, succulents and palms. Rare and endangered Australian species are also cultivated. And orchid houses... Easy walking trails through natural bushland with mature blackbutt, angophoras and swamp mahogany forests and understorey of more than 150 native plants, natural habitat of goannas, wallabies, lizards, brushtail and ringtail possums, sugar gliders, bats, a small group of resident koalas and many birds.

Final program still being settled. We welcome our members to contact us to be a presenter of any relevant, related topic. Opportunity to offer your products for sale. IPHA Knowledge cards will be available as well as herbal potions and lotions by Pat Collins.
